

THE CENTRE FOR SYSTEMS SOLUTIONS is an international organization established in 2005 with an aim to develop and apply innovative methods and system tools, such as digital multiplayer games, board games, and social simulations that support research, education, and political experiments in the field of sustainable development.

The Centre for Systems Solutions (CRS) is looking for a person for the position:

Junior Game Designer

Location: Wrocław

Working hours: half time or full time

Are you keen on organizing and arranging? Do you like creative tasks and have an excellent eye for detail? Is the fate of the people and the natural world important to you? Do you want to inspire positive changes? We have a job for you!

Your responsibilities will include:

- participation in UX and game mechanics design,
- maintaining detailed game documentation (in English),
- organizing game materials (refers to both electronic and board games),
- planning, coordination and supervision of game development processes,
- assistance in organizing workshops and game sessions (including collecting and preparing materials and equipment beforehand),
- market analysis (including sending inquiries), contacts with suppliers and service providers,
- support in writing proposals and reports (both in English),
- communication with CRS partners and clients (in English).

Requirements:

- very good command of English (spoken and written),
- systematic approach to duties, excellent organizational skills, attention to detail,
- interest in board and computer games,
- responsibility and diligence,
- interest in sustainable development,
- ability to quickly search for information,
- willingness to learn fast and acquire new skills.

The following additional skills will be appreciated:

- sense of aesthetics and willingness to assist in graphic design in the future
- experience in working for the benefit of society and the environment,
- additional foreign language.

What we offer:

- involvement in international projects that make use of social simulations (games) for business, science and the environment,
- constant development and fun while creating and testing games,
- promotion prospects,
- work in a friendly environment,
- employment contract.

Please send your **CV and cover letter** to: rekrutacja@crs.org.pl (entitling the email "**Junior Game Designer**"). Don't forget to enclose the following annotation: "I agree to the processing of my personal data by the Centre for Systems Solutions Association for recruitment for the post of **Junior Game Designer** in accordance with Art. 6(1)(a) of the Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46/EC (General Data Protection Regulation)".

In order to ensure compliance with the GDPR, we would like to inform you that we intend to store your personal data on the G Suite platform owned by Google LLC. The data will be stored on a server located in the USA. To dispel your doubts, we would like to assure that your data will be safe, as Google LLC joined the Privacy Shield program and provides the appropriate level of personal data protection required by European regulations.

In reference to this, please read the information below:

In accordance with art. 13 of the General Regulation on the Protection of Personal Data of 27 April 2016 (Official Journal of the European Union, L 119, 4 May 2016), we inform you that:

1. The administrator of your personal data is the Centre for Systems Solutions Association, based in Wrocław 50-305, ul. Jaracza 80B /10, Poland;
2. Your personal data will be processed for the purposes of conducting correspondence pursuant to the Article 6(1)(a) of the General Data Protection Regulation of 27 April 2016;
3. Your personal data will be stored for the duration of this recruitment;
4. You have the right to access your data and the right to rectify, delete, limit processing, the right to withdraw consent and the right to move data;
5. You have the right to lodge a complaint with the supervisory body;
6. Providing personal data is voluntary but necessary to consider the offer as part of the recruitment process.

You can withdraw your consent at any time by sending an e-mail to gdpr@crs.org.pl

We reserve the right to contact only selected persons.
